|                                |                                                          |
|--------------------------------|----------------------------------------------------------|
| <b>Article no.</b>             | TG-R4-3 / 100-001-520-41                                 |
| <b>Frequency</b>               | 915 MHz                                                  |
| <b>No. of function relays:</b> | 7   8A                                                   |
| <b>No. of stop relays</b>      | 2   16A                                                  |
| <b>Digital I/O</b>             | In 2   Out 0                                             |
| <b>Duplex</b>                  | Yes                                                      |
| <b>Power supply</b>            | 230V AC & 12-24V DC & 12V AC & 48V AC & 115V AC & 24V AC |
| <b>Max current consumption</b> | 400 mA                                                   |
| <b>Radio type</b>              | Low IF topology                                          |
| <b>Dimensions</b>              | 176 x 160 x 75 mm /~ 6.9 x 6.3 x 3 In                    |
| <b>Protection</b>              | IP66                                                     |
| <b>Temperature</b>             | -20 to +55 C / -4 to 131 F                               |
| <b>Safety level</b>            | SIL3, PLe                                                |
| <b>Certifications</b>          | IC, FCC                                                  |
| <b>Sensitivity</b>             | 110 dBm                                                  |
| <b>Bus system</b>              | None                                                     |
| <b>Relay functionality</b>     | Momentary, Momentary and/or latching, Interlocking       |
| <b>Antenna</b>                 | 1 RP-SMA-Female                                          |
| <b>PIN code</b>                | 10                                                       |
| <b>Antenna type</b>            | Extern                                                   |
